

How to Export Your Business Internationally

Looking for more work? Interested in expanding your business internationally? Enterprise Florida, Inc. (EFI) is a not-for-profit government business partnership established to guide the development of Florida's economy. The mission of EFI is to support business growth and assist companies in the creation of jobs by coordinating the State of Florida's economic development and international trade programs and by promoting Florida as a competitive global business center. EFI will share information on the resources, including grant opportunities, available to companies that want to export their businesses to international markets.
